The Board of Trustees would like to welcome Steven Nagel as the new Executive Director of HomeSharing. Steven has a broad experience directing several Non-Profit organizations in NJ. Those organizations include United Community Corporation, the Jewish Renaissance Medical Center for Senior Development, the Somerset Community Action Program, NJ PTA, Special Gifts, and Info Line of Central Jersey. He holds a BA degree from Montclair State University, is an Eagle Scout and recognized as a Distinguished Kiwanis Club President and Distinguished District Governor.

HomeSharing has provided affordable housing solutions for 36 years. We match those seeking housing with those who need additional income or services to maintain their homes, while fostering independence and dignity.

We look forward to Steve's leadership to continue to serve those that need affordable housing in these challenging economic times.
