

HomeSharing, Inc. 38th Annual Gala Recognizing Community Leaders for Their Efforts & Contributions in Affordable Housing

HomeSharing, Inc. provides social services for those who are seeking affordable housing while fostering independence and dignity. Currently serving Central NJ.

BRIDGEWATER, NJ, USA, December 30, 2022 /EINPresswire.com/ -- HomeSharing held its 38th Annual Gala on October 20, 2022, honoring those supporting our efforts to create affordable housing solutions for NJ residents, our clients whose lives are improved, and those that dedicate their time to our organization.

The recipient of this year's Shuey Horowitz Humanitarian Award (HomeSharing's highest honor) was Kenneth R. Totten, Chairman, President, and CEO of United Roosevelt Savings Bank. Their efforts to sustain social services for those who are seeking affordable housing while fostering independence and dignity showed they deserved this highest HomeSharing Award.

Our Volunteer Awardee for 2022, Wendy Argent-Belcher, has provided more than 20 years of service to HomeSharing operations which is extraordinary, and HomeSharing truly thanks her. We thank the Episcopal Church of St. John on the Mountain in Bernardsville NJ for their support and attendance for Wendy's award.

HomeSharing also thanks this year's major sponsors of the 2022 Gala, including:

Platinum Sponsors: MICRO located in Somerset NJ, and United Roosevelt Savings Bank

Gold Sponsors: Frank & Mary Jane Semcer, Sr. and Andriette & Paul Mathews

Silver Sponsor: Ascendia Bank, The Federal Home Bank of New York

Bronze Sponsor: The Columbia Bank Foundation

Our Mission to create affordable housing solutions by matching those seeking housing with those who need additional income or services to maintain their homes, while fostering independence and dignity”

Speaking at the event was Mary Martusciello, a HomeSharing Provider in Mercer County for almost two years. Mary reached out to us at the height of COVID, and was at risk of losing her home. Mary invited a HomeSharing Seeker into her home, which is just an extension of her extremely generous spirit, and her ability to get along with just about everyone. She is still in her home today. Mary's story truly exemplifies the many ways in which HomeSharing can help people to stay in their homes, whether in need of additional financial assistance or caregiver support to maintain their homes.
